

Layang Layang

Guaranteed Departure

In the middle of ancient South China Sea, 300km North West off the coast of Sabah, Layang Layang lay like a beautiful emerald kissed by the sun and teased playfully by the winds. Time and tide has linked 13 coral reefs to form a languid lagoon with just a fraction of it breaking the calm surface of the sea. This atoll is also the home to one of the most converted diving sites in the world
